OVER FORTY YEARS OF BUILDING BRIDGES TO THE FUTURE

Signet Christian School is operated by The Evangelical Christian Education Association of Scarborough and is a member of the Association of Christian Schools International. The School was founded in 1974 by a group of committed parents who wanted their children, and those of other families in the community, to receive a quality education. It has been and continues to be a non-denominational, non-profit, charitable organization, with a board of directors voted by the membership of the association.

LOCATION

Located in the exciting Greater Toronto Area (GTA) between Bayview Ave and Leslie Street, SCS is a readily accessible site in North York, close to public transportation routes and main thoroughfares. As a result, there is easy access to countless life-enhancing amenities; such as CN Tower, Eaton Centre, Chinatown, Royal Ontario Museum and Ontario Science Centre.

ACADEMICS

The Elementary Division of SCS (Kindergarten – Grade 8) follows the Ontario Ministry of Education curriculum, enhanced with biblical teaching, chapels, daily devotions and extracurricular activities. The visual, musical and dramatic arts are well represented with class and school activities. French is taught in all grades, and English as a Second Language is taught to those students who need it. All grades have access to computer technology.

The High School (Grades 9 – 12) is inspected by the Ontario Ministry of Education and is qualified to offer credits leading to an Ontario Secondary School Diploma (OSSD), which is recognized by all universities across Canada. Upon leaving SCS, students are well prepared for their postsecondary education in any of the fine colleges or universities of their choice. The high school is organized under the popular semester system. The school year is divided into two terms – September to January, February to June.

The High School Division offers a wide range of credit courses, including the Arts, Business Studies, Canadian and World Studies, English, English As a Second Language, French, Health and Physical Education, Mathematics, Science, Social Sciences and Humanities, Technological Education. In addition, our highly qualified teachers work professionally with the students, helping direct them according to their interests, capabilities, and future career ambitions.

STAFF

Our staff are dedicated teachers whose mission is to know and care for every aspect of each child. They are able to engage students individually and provide the interaction and instruction each child needs. In this environment, our teachers, in partnership with parents, can instill valuable personal and social skills, enabling the children to develop into caring and responsible members of their community.

SCHOOL LIFE

Safety and orderliness are always top priorities where our students and staff are concerned, and our policies are designed to support this. The school disciplinary code is clearly outlined in the student handbook. Moreover, adherence to the dress code is mandatory; uniforms must be worn at all times, unless students are notified otherwise by the school.

At Signet Christian School, we are dedicated to maintaining an open, ongoing relationship with the student's home. We keep in contact throughout the school year, through newsletters, curriculum nights, and parent-teacher meetings.
